Lohéac Legend Festival 2023 : Make an appointment with History !

The countdown is on for an event that will make a lot of noise: the Lohéac Legend Festival! Indeed, from May 20 to 21, 2023, will be held in Lohéac, the stronghold of motorsport in France, the very first world edition of this show open to all, which will bring together the cars and drivers who made the glory of Rallycross and Rally!

INFORMATIONS FOR COMPETITORS

Quick presentation and history of Lohéac

Small village of Brittany in France with 700 inhabitants, village of the Automobile, one of the most important Museum of France, several driving schools and circuits, cradle of the French Rallycross in 1976, major stage of the FIA world championship of Rallycross until 2021 and a team of 700 volunteers renowned for the organization of great events

Presentation of the event

It is a festival with multiple animations. The objective is to make a festival of the automobile around exceptional historic cars of rally and rallycross. All the animations around the sporting part will be revealed later.

This is an invitation-only event. Entry fees are free. The cars must be in perfect condition and will be selected for their diversity and historical interest.

All cars will be presented under a 6 x 3 white tent for the duration of the event (tent provided by the competitor).

Everything will be done to delight the public.

Two other events will be organized

One in Mettet, Belgium on August 5 and 6, 2023

The other in the United Kingdom in 2024 at Lydden Hill.

Competing schedule

Friday morning : installation – Photos – no Public

Friday evening: organizers' evening (gala dinner + entertainment)

Saturday: open gate for public at 8 AM - free practice, 2 rounds, various animations, music concert on Saturday evening.

Saturday afternoon : 6pm parade in the village Sunday: 2 rounds, finals, 1 pilot presentation

Sunday : Closing at 17:00

On the track

The event will take place on the rallycross track. The track is in perfect condition (no holes, no dust and no salt treatment) with excellent grip even in the rain.

The circuit offers the best conditions of safety and clearance to allow everyone to have fun at their own pace.

The chosen formula is the demonstration, there will be no time or ranking. The priority is above all conviviality and the sharing of a common passion. No aggressive driving will be tolerated. Everything will be done so that no car is damaged on the track. CoPilote will be accepted (Licence, race suit)

Competitors agree to participate in all driving sessions.

The cars will be inspected on the safety rules by the technical commissaires before the first run (see appendix regulations)

Two starting formulas will be proposed:

- Rallycross start between 5 and 8 cars together
- Sequential start every 10 seconds

Cars admitted

- Any significant historic rally or rallycross car from 1970 to 2007 can be entered.
- The car must be in its original decoration and version. It must be in perfect condition and comply with the technical regulations of the Loheac Legend festival.

There will be 4 groups

1 - RALLYCROSS

- Rallycross Legend : 1976-1993
- Rallycross Legend : 1993-2000
- Rallycross Festival : Cars that have not been accepted into the championship for more than 15 years. These are cars which have had a prize, and which are presented in their original decoration driven by their driver

2 - RALLYE

- These are some of the most important cars of the post-1970 rally.
- The cars will have the same track time and will run on the same circuit. The starts will be staggered every 10 seconds and the technical regulations will be more flexible.

3 – SPECIAL CATEGORIES

- - Several themes: Historic Dakar, Historic Andros
- - These cars will run with the same track times as the other categories

4 – STATIC EXHIBITION

- - Some exceptional and original cars may not be driven and will simply be presented

HOW TO TAKE PART ?

- - You can propose your car by sending the application form by e-mail.
- - A selection committee has been set up to validate the applications
- - When you have been accepted you will receive your invitation and you can then fill in your entry form
- - When your application is complete, you will join the Pilots' Club and receive all the news

It will then be up to you to work on getting your car ready for the festival 😊
